

Pür Station™

The handy way
to wash hands.

Because hand washing is still
the most effective way to protect
against germs.

Protects
Portable
Professional

Its compact format, built-in handle and rollers make it easy to move and install the station.

Easy to use

The pedal avoids contact with all surfaces.

Easy to clean

A built-in trash receptacle and composite cover make it easy to clean and disinfect.

Easy to install

No water or electrical connections necessary.
