STORAGE SPACE

The MultiTek Cart is an ergonomic and multifunctional cart. In an innovative leap forward from standard cart solutions, not only does it transport tools, parts and other items, it also functions as a small portable workstation. Many configurations are possible, ranging from minimalist to fully equipped. You can also install a wide range of accessories to keep whatever you need close by and conveniently organized.

KEEP YOUR ESSENTIALS TO HAND AND ORGANIZED IN YOUR OWN PREFERRED WAY

All models can be fitted with a PVC mat, while carts with drawers feature a lock-in mechanism to prevent them from opening by themselves, and the covers include a lock. Heavy-duty and maneuverable, the MultiTek Cart is the ideal companion to help you perform your daily tasks.
